Encuentro en el International workshop intelligence and history"

21/11/2023

encuentro

Our first international workshop aims to start a dialogue between historians on one hand and other intelligence experts on the other hand about the uses of intelligence sources for the analyses of such phenomena as the developments of the modern state, religion-state relations, as well as work force mobility with regards to security issues.

Confirmed speakers include

- Stephen Alford, Leeds
- Antonio Jiménez Estrella, Granada
- Vittoria Feola, Padova
- Julián Lozano Navarro, Granada
- Freddy Cristóbal Domínguez, Arkansas
- Cristina Borreguero Beltrán, Burgos
- Raffaella Santi, Urbino
- Andrea Savio, Padova
- Gennaro Varriale, Valencia
